SKILLS

- **Languages:** Java, C++, Python.
- **Frameworks:** Jetpack Compose, Firebase, Git, GitHub, SQL, HTML, CSS, XML, Django, Flask.
- **Soft Skills:** Problem-Solving Skills, Adaptability.

INTERNSHIP

Android Development Intern
Techvanto Academy

June 2024 - July 2024

- Developed and maintained Android apps using Java/Kotlin, implementing UI with XML and Jetpack Compose.
- Resolved bugs and conducted unit/integrated testing to ensure stability.
- Collaborated with senior developers, designers, and participated in Agile practices.
- Assisted in code reviews, documentation, and provided API integration for smooth server communication.
- Optimized app performance focusing on memory, data handling, and responsiveness.

PROJECTS

Context-Aware Notification App
• Developed a context-aware-smart notifications app using Google Awareness API for personalized alerts based on location, time, and activity
• Integrated geofencing, time -based triggers, and activity recognition to deliver dynamic, real-time notifications
• Optimized battery consumption with efficient polling and background task management
• Created Customizable notification settings for user preferences and enhanced user experience
• Designed and implemented a clean, intuitive UI for easy interaction and control over notifications
• Deployed on Android, offering features such as geofencing alerts and activity-based suggestions

August 2024 – October 2024

CERTIFICATES

Android Development
Techvanto Academy, New Delhi

July 2024

Java full stack
Java Training Center, Noida

August 2022

EDUCATION

Lovely Professional University
Master Of Computer Application — CGPA: 7.00

Integral University
Bachelor Of Computer Application — CGPA: 8.00

Kunwar Lal Bahadur Singh
12th with Science — Percentage: 45.60%

Police Modern School
10th with Science — CGPA: 7.2
